Sisters Pat N Leather and Eve Volution celebrate SF Bear Weekend 2013 like only the Edge can and ask that we all show our visiting and neighboring bears how we do it SF style. These Sisters have lined up a fuzzy, warm, cuddly "bear-o-licious" drag revue and a Fuzzy Bare Chest contest with prizes by 9X6 Silicon Lube, Castro-area merchants and Kink.com. The show will be hosted by the beyotch of all beyotches, Camille Tow, who will present her girls serving realness and fierceness. This event is going to leave you warm, fuzzy and tingly all over as you gag on the drag. Jello shots and raffle prizes. Proceeds benefit the Ducal's Easter fund.
